## **Camp Overview - Sept. 1 - 5, 2010 (5 Days)**

### *Purpose Camp*

This camp is one of the most highlighted camps we have done. This camp is all about adding purpose and fun to all the things you've learned so far, all within the beautiful setting of the James Creek Ranch. An incredible horseman and teacher, Jonathan will guide you through various stations that will be set up on the ranch; Cows, Cutting Machine, Event Course, Dressage Arena, Stadium Course, Mountain Trails, etc. You'll be encouraged to play with your horse independently on the exercises and then come back and join in on individual and/or group discussions on how to be even better!

#### **Course Goals:**

- ♦ Give your horse a greater Purpose with individual and group challenges designed to test the abilities of both you and your horse.
- ♦ Understand and develop a greater *FEEL*, and take your horsemanship to a greater level
- ♦ Start to draw out the mind, body, emotions, and spirit of your horse
- ♦ Learn to think your way through challenges and adjust to fit the situation.
- ♦ Jumping, times races, cow machine and basic roping skills are covered (maybe even live cows if we have them then)
- ♦ Fun and inspiration!

**General Rider Information:** You will receive a package from your Host containing the following forms: Camp Registration, Young Rider Authorization (if the rider is between 14 and 18 years old, riders under 14 are not permitted and riders between 14 and 18 must be accompanied by a parent or guardian), and a Liability Release Waiver. Please review all forms carefully and return to your Host prior to or at the event – for the Liability Release waiver it must be signed and witnessed and the *original* must be returned.

Please bring the following equipment. Any items that you don't have will be available for sale during the event (except helmets).

- ♦ Safety Helmet (riders under 18 MUST wear a helmet)
- ♦ Rope Halter
- ♦ 12' Lead Rope
- ♦ 2 x Horseman's Sticks
- ♦ 2 x 6' Strings
- ♦ Saddle Pad
- ♦ Saddle
- ♦ Bridle and/or Hackamore
- ♦ 22' Line
- ♦ 45' Line (optional)

#### **Pick the Right Course for You and Your Horse:**

The prerequisite for a Purpose Camp is a successfully completed Course 2 Assessment and/or previous participation in at least two Course 2 clinics **with the horse you'll be bringing to the camp**. Your horse must be able to comfortably **WALK, TROT and CANTER** in a group setting. Keeping everyone's safety in mind, if you are unable to **WALK, TROT or CANTER** safely during an exercise, you will be asked to stay on the ground during those exercises. If it is determined that your horse is not safe in a group trail ride, you will need to stay at camp. No reimbursement will be given. Because the Jonathan Field Horsemanship training program is 50% horse and 50% human, we cannot stress enough the importance of choosing the most appropriate level for you **and** your horse. Please don't feel pressured to take the next Camp level up from the last clinic you took - **course numbers aren't as important as the horsemanship experience you and your horse will gain**. As individual situations may vary, please contact us for any concerns.

#### **Times:**

The camp start time is 9:00 am each day and will end at around 5:00 or 6:00 pm each evening.

#### **Spectators:**

Spectators are not permitted during camps.

#### **Pricing:**

For individual camp pricing, please see the Camp Logistics sheet.
